Chapter 4

Unforgettable events

Eveelution Squad

Two weeks later...
Achoo!
Kya!

I got you-
?!
Gotcha!
Kya!
Thank you!
Anytime.

S-sorry, I didn't mean to-
It's okay, it wasn't your fault.
If you excuse me, I've got something to do...
Please don't do what I'm thinking you're going to do.
It's okay, I won't.
Sylveon, come here for a minute!

Yes?
Jolteon said he wants to treat you out. What do you say?
I what?
Really?
Come on, let's go!
Espy?
Have fun!
?!

Vaporeon!
Do you know where Jolteon is?
He's in the warehouse. Why are you looking for him?
It's just... He promised to take me to the bookstore today so...
Don't tell me you-
It's not like that!
I see... Isn't that him over there?
Where?

Come on! It's gonna be fun!
...
Jealous~
Shut up...
There you are!
Hi!
...

Where are you two going?
We're heading to the town. Do you need anything?
Why do I have a feeling I'm forgetting something...?
You forgot?!
Ouch! What was that for?

You promised you'll take me to the bookstore today!
So that's what it is. Why don't you come with us?
It's gonna be more fun!
You mean it?
Yeah, I don't want you to hit me again.

Hey, what's gotten into you? You act really strange today.
Nothing, it's just I don't like seeing you and Sylveon together.
Why would you think that?
That's because she-
Ah!

Oh, come on! Why can't we just have a break from it? Do you always have to be like this?
N-no, I just-
Why can't you act like your sister for once...?
...
Glacy?

Later...
Everything is already changed in just 6 months?
Hehe
We're here!
I'm gonna catch you~
Huh?!
Coming through!
So, where should we go first-
I say we'll go to the bookstore.
Gift shop!
I said we go to the bookstore first.
No, gift shop first.
Uh... Girls?
Bookstore!
Gift shop!

Wow, they're adorable!
I want this one, this one, that one, this one- nah, I can't have all of them, can I?
Hey, sorry about what happened earlier.
How about we go there right after this?
I guess I'm okay with it.
Oh, I got something for you.
What do you think?

Do you like them?
D-do you really think a bunch of flowers would make me happy?
Yeah, I guess you don't like flowers. If you don't want them, I'll just give these to Sylveon instead.
W-wait!
Wah~
I want that one!
You want a doll version of yourself?
Yep!

Here you go.
Thank you!
Hehe, I wish you were my brother.
Brother?
Yep.
Then why don't you try treating me like one?
You mean it?
Yeah.
Come to think of it, Kris never called me "brother", not even once...
Okay, then.

Hey, big brother~
Is anything wrong, big brother?
N-nothing.
You're funny, big brother.
It's more effective than I thought.
Okay, stop calling me "big brother"!
Why can't I call you "big brother", big brother?
Just stop it, will you-

Glaceon...?
Since when did you make Sylveon call you "big brother"... Did you do something to her...?
I-it's not what you think it is!
What kind of brother would say that to his own sister?
Stop calling me "big brother"! I take it back!
Then what should I call you, big brother?
No more! I can't take it anymore!

Later...
Umbreon and I come here all the time. This place is great, isn't it?
Big brother?
But...
Please stop calling me that...
Just stop it, I'll buy anything you want...
Okay~
I'll be right back!

I wonder if there's anything good today-
Oh! Long time no see, buddy!
Uh... hey?
Oh, I get it. I don't want to ruin your moment. See you later!
So, who is she?
Get what? Why do I have a bad feeling about this?
Excuse me.

I never expected to see you here. How's it going?
I'm fine. Leave me alone.
I'll leave you alone once you tell me who he is.
He's... Uh...
I see...
You'd better treat her nicely or else...
Hey, who was that guy?
He's my friend, I guess. I met him a few years ago.
Wait, don't tell me he thinks we're-
O-of course not!

?
Oh, it's just a dumb thunder cat. I was wondering why I was in shock.
Isn't this a disaster dog? I was wondering why I have bad luck recently. You sure bring bad luck with you wherever you go.
Th-they know each other?!
H-hey, could you please stop fighting?
Y-you're disturbing us here.
Good thing, Sylveon isn't here or else something bad is going to happen.

Sorry about that.
Sorry for the intrusion-
Jolty!
You! Who is this girl and what is she to you?!
Hey! Leave him out of this! It's normal for a guy like him!
G-guys!
On second thought, I should have let Sylveon call me "big brother".
They sure get along well.
You're not helping!

It sure is noisy today.
Hydra, I've never thought I'll get to see you here. What are you doing here?
S-Silvia?
I-I'm just passing by-
Well, isn't that three heads? I heard two of your heads have no brains. No wonder they're useless.
Aren't those two wild Pokemon? Who would let wild Pokemon in here?
Not another one!

I'm not a wild Pokemon!
What do you expect?! You just called me useless!
Doesn't matter! Charge!
Wh-what should I do? If they keep up, they're going to destroy this place!
N-no!
Destroy this place?
...
Sylveon, stay out of this-

WHAT THE HELL DO YOU ALL THINK YOU'RE DOING?! DON'T YOU KNOW YOU COULD DESTROY THIS PLACE?!
IF YOU WANT TO FIGHT-
-GO FIGHT SOMEWHERE ELSE!

Oops, sorry about that~
...
Later...
Hey... You were really scary back there...
Y-yeah.
I am?
?
Heh heh...

Big brother!
Ssshh, you blew my cover-
There's someone up there!
Is he peeking on us?!
Haha...
?!
?!
Pretty girls, pretty girls everywhere...
Big brother?

Later...
Ouch...
Oh, hey... How have you been?
I'm fine. What were you doing up there?
N-nothing really.
Wait a minute... I think I know you from somewhere...
Me?
Yeah...
You're the Yellow Flash! I can barely recognize you without your white scarf and goggles on! You're that gold rank rescuer and also a former Pokemon tournament champion that vanished 2 years ago! I'm your biggest fan!
Uh... How can you be so sure I'm him...?

There's no mistaking, the way you talk and behave proved it to me. Plus, there are only 5 Jolteons in this town-correction, 6 include you. I know every Pokemon who live here so it's not that hard to tell, except from what I remember, you weren't really as dense as you are now. Am I right?
So much for my big secret-wait a second, did you just call me stupid?
I'm not that Pokemon anymore. Can't you see I keep getting beat up by a girl?
My bad. Anyway, I'm Gai the Umbreon. I'm pretty sure you've already known my little sister, Silvia. So can you teach me how to move or dodge fast like you? It would really help me a lot.
If you teach me, I'll let you date my little sister.
Hey, do something. He's your brother after all.
What...?
...

Oh, I get it. You think I'm not good enough?
It's not like that- Alright, fine... but I won't date your sister.
Yes!
What's going on?
So tell me what it's like living there. Is there any chance I can live with you?
Uh... We already have an Umbreon.
Come on...
That night...

Umbreon... What are you doing here...?
Um... Just passing by...?
I just... uh... alright, fine... I'll tell you... The truth is... I like watching you sleep sometimes... and by sometimes I mean often.
Then why are you in my room?
Not you too...
•••
Okie dokie, a girl needs to sleep now. See you in the morning.
Good night!

yawn
knock
knock
Umbreon, I thought I told you to...
You're gonna have a bad time, kiddo.
Kyaaaaa!!!
Aaaaah!!!

Later...
pant
pant
Aaaaah!!!
It's okay.
It's me.
Wah!
Th-there's a ghost in the house! W-we gotta tell everyone!
Don't you think your scream would already wake them up?
Whoa whoa whoa, tell me what's going on?
Aaaaah!!!

L-leafeon?
Is she okay? I heard her screaming so I come and check.
Uh... I'm sure she's fine. Anyway, have you seen Umbreon?
No. Is anything wrong?
There you are...
Sylveon said there's a ghost Pokemon in our house-
Aaaaahhh!!!

I-I want to tell you something! I know this is sudden but in case something bad is going to happen, I just want you to know that I love you-
Um... I never thought you felt that way.
You're not Leafy?!
Meanwhile...
It's okay. I'm here.
Kya!
Glaceon?

Later...
So, you heard too.
I think so.
Thanks for coming back for me.
Jolteon?
Daddy!
Jolteon, what's going on?
There's a ghost-type Pokemon in our treehouse.
He's scary!
S-scary?

So, how did it go?
You know.
Go what?
Oh, that... It didn't turn out like I wanted. Sorry for what happened today-
No need to say sorry.
Anyway, where are Flareon and Vaporeon?
Sis, shouldn't we go downstairs?
I know but I heard a noise up there-
Hehehe...
Aaaaah!!!

There's someone over there.
Yo.
Aaaaaaahhh!!!
Aaaaah!!!
Aaaaah!!!
Aaaaah!!!

...
Aaaaaahh!!!
Aaaaaahh!!!
Aaaaaahh!!!

Can't you go faster?
Hehe...
Later...
Why did you chase everyone? I thought I told you not to disturb others if you want to stay for a night.
I just wanted to hug them. They're just too cute.

You can just go back to sleep now, I'll stay here and guard him.
Why didn't you dodge?
Why didn't I think of that?
Later...
What a weird day...?
End of chapter 4
